 〒 399/60 หมู่ 13 ซ.กิ่งแก้ว 25/1 ถ.กิ่งแก้ว ต.ราชาเทวะ อ.บางพลี จ.สมุทรปราการ 10540
 399/60 Moo 13 Soi Kingkaew 25/1 Kingkaew Rd. Rachathewa Bangplee Samutprakan 10540

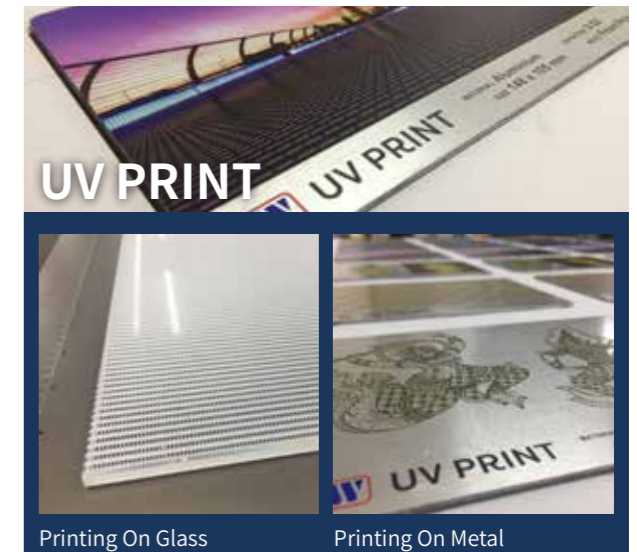

We came from Taiwan and brought Laser applications to Thailand. We provided new solutions to our clients and we continue to do so by expanding our facility and skills. Today, we have been in service over 20 years, and we covers from machine sales to repair and training, and JobShop. JobShop is our made-to-order digital fabricating service that is low-cost, fast, and quality to fit your needs.

Mission To provide quality, reliable, and innovative fabricating services for subcontracting firms.

Vision To be regional leading innovation center.

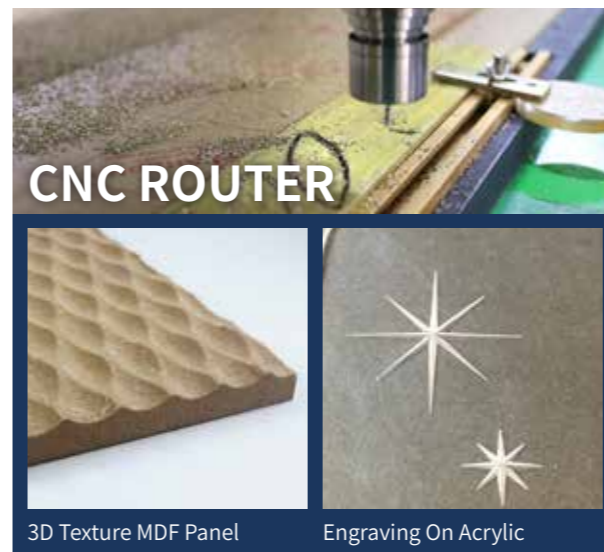

History We started as machine sales agent, but with our expertise, we expanded to include JobShop™ digital fabricating services. In which, we aim to provide alternatives for small business which has yet a plan to purchase machines, and to provide a innovation space where our clients can come to learn and to be inspired.

Facility Size 1,300 sq. meter
 Staff 30 people
